For the fourth straight year, the Hand Trading Company Building resembled a Las Vegas casino as the Pelham and Camilla Rotary Clubs combined their efforts for the annual "Viva La Rotary" fundraiser. The event, which was held Saturday night, March 7, provided an evening of food, fun, and libation, all designed to raise money this year for the Mitchell Baker Service Center.

The Hand Building was decked out with "faux" gaming tables, resembling those found in casinos, as patrons tried their luck at a chance to "win" at blackjack, roulette, craps, and other popular games. A "croupier" manned each table in order to keep the games lively and proceeding along their merry way. Cheers could be heard all evening as happy "winners" announced their victories.

Of course the night was not complete without making mention of the real winner for the evening, the Mitchell Baker Service Center. Each person participating in the evenings "games of chance" made donations to the Bank with their real money in order to play with the "play money" at the gambling tables. While the dice or cards might have made some participants "winners," those receiving help from the good folks at the Mitchell Baker Service Center will be the ultimate winners from the night.

The Committee that put all the arrangements together included Rotarians from both the Camilla Rotary Club and the Pelham Rotary Club. They included: Dr. Bonita Richter,
